NEED AND JUSTIFICATION

A. **PROJECT NAME AND LOCATION:** Indicate the name, address, and census tract where the project will be located. Attach maps to the application indicating the location of the proposed project.

Project Name:	Prairie Creek Senior Apartments and Townhomes
Project Address:	1050 E. Main Street
City, State, Zip:	Sun Prairie, WI 53590
Census Tract:	0116.00

B. **JURISDICTION:** Indicate the name of the jurisdiction where the project will be located, i.e., City, Town, or Village.

City of Sun Prairie

C. *PROJECT NEED: In the space below, provide a brief description of the need(s) or problem(s) that will be addressed by this project.

Sun Prairie is one of the most rapidly growing City's in Dane County and the State of Wisconsin. Population has almost doubled since 2020 with much of the growth coming from older households. According to a housing study conducted by the City they are also becoming more diverse whereas over 20% of the population are people of color. It was also noted in the study that a majority of workers commute into Sun Prairie vs live in Sun Prairie. In addition, Sun Prairie is approximately 660 units short of the need for affordable rental units and approximately 46% of rental households without rental assistance are considered cost burdened.

Our project will add needed senior affordable housing as well as large housing units (3 bedrooms) for families.

PROJECT DESCRIPTION

D. **OWNERSHIP ENTITY:** Indicate the name(s) and contact information for the Owner/Taxpayer of the Project that will be constructed. List all general partners, members, and principals. Attach additional sheets if necessary.

G. **PROJECT DESCRIPTION:** Provide a detailed description of the project.

Habitat for Humanity of Dane County, in conjunction with Northpointe Development II Corporation and DreamLane Real Estate Group ("Developer") is proposing to construct the "Prairie Creek" Senior Apartments and Townhomes, a newly constructed seventy-five-unit 4% Low-Income Housing Tax Credit ("LIHTC") multifamily development located east of downtown in the City of Sun Prairie. Wisconsin, The development will consist of the new construction of 2 buildings including 1, four-story elevatored building containing 33, one bedroom/one bathroom units, 28, two bedroom/two bathroom units, with underground parking, age restricted for seniors. The project will also include 1 two story townhome building containing 14, three bedroom/two bathroom units with private garages for a total of seventy-five rental units. All the 3-bedrooms will be open to households of all ages and have first floor private entrances. On-site amenities include walking paths around the property, patio with grill station, firepit, picnic area, and playground area. There will be an on-site community room, rental and service coordinator offices, exercise room, tenant storage and internet all provided at no cost. The project will be built to Wisconsin Green Built Standards and will also receive and Energy Star New Construction/ EPA Indoor AirPlus Certifications. We are planning to have a 29 KW PV Solar System on the roof of the Senior Building which would eliminate approximately 90% of the building's common area electrical usage. The project will have high quality materials including LVT flooring and quartz countertops.

Habitat proposes to set aside all the units for residents earning 70 percent or less of the Dane County Area Median Income ("AMI") using the Wisconsin Housing and Economic Development Authority ("WHEDA") LIHTC Program. Approximately 40% of the units will be set-aside for households at our below 50% of County Median Income. 5 of the units will be set-aside for households at or below 30% CMI and be targeted to households that are County Priority List or those in need of supportive services to maintain housing. In addition, 9 of the 50% and 60% CMI units will be preferenced to Veteran households. The project will have an MOU in place with Lutheran Social Services who will provide a Service Coordinator to the project.

Site Plan and Renderings are attached.

H. **SITE DESCRIPTION:** Provide a description of the site where the project will be located. Provide information on the size, exposure, and contour.

The site is located at 1050 E Main Street. The site is generally flat with wetlands to the East, undeveloped property to the West, Habitat's Town Hall Crossing neighborhood to the north and HYW 19 to the south.

I. **LEGAL DESCRIPTION OF THE PROPERTY:** In the space below, provide a legal description of the property.

Parcel Numbers: 282/0811-044-9775-2

J. **ZONING:** Provide the current zoning classification of the site and describe any changes in zoning, variances, special or conditional use permits, or other items are needed to develop this proposal.

The property is currently zoned (CR-5aa) Countryside Residential, and the Future Land Use Map identifies the proposed site as Multifamily which would be an appropriate use for our project. Habitat will be requesting that the site be rezoned via (PUD) Planned Unit Development to obtain the desired density in the proposed plans. The City has a two-step PUD process, General Plan Approval and Detailed Plan Approval.

Northpointe has met with the City to review concept plans and will be requesting GDP and SIP approval. We expect to have all approvals no later than September so we can submit a 4% application to WHEDA in September/October.

K. **ENVIRONMENTAL:** In the space below, describe the historical uses of the site and any existing conditions of environmental significance located on the project site.

No environmental issues

N.	EXISTING STRUCTURES: Identify the existing buildings on the site, noting which are occupied. The property is vacant land.
O.	DEMOLITION: Describe the planned demolition of any buildings on the site. No demolition is required.

P. *RELOCATION: Describe the relocation plans and assistance for any tenants that will be temporarily or permanently displaced. Will this project involve the displacement of families, households, partnerships, businesses, etc. from their homes or businesses? If yes, describe the notices and assistance your organization expects to provide and the amount of funds allocated to do so.

No tenants will be displaced as the proposed project is new construction on vacant land.

Q. *NEIGHORHOOD CONDITIONS: Describe the neighborhood in which the project will be located noting any conditions that may be detrimental to family life, substandard dwellings in the area, or other undesirable conditions. If the neighborhood is undergoing a revitalization, describe how this project will facilitate this redevelopment.

The subject development site is located on the eastern edge of Downtown Sun Prairie, Wisconsin. More specifically, the site is located at 1050 E. Main St. Habitat purchased this site with 62 total acres currently named the Town Hall Crossing Neighborhood. Once fully developed the Town Hall Crossing Neighborhood will hold 118 single family lots, 48 of which will be Habitat Homes targeting low to moderate households to be homeowners. The proposed affordable multifamily use fits well with Habitat's mission of completing a holistic affordable neighborhood and plans to work with the interested tenants to transition to Homeownership over time. This would be done by hosting informational sessions on-site and educating residents through Habitat's Financial Capability Program.

The specific lot that is planned to be developed on Main St is one of the mainly traveled thoroughfares through Sun Prairie and the site is located less than a mile from the High School, groceries, transportation, retail and city amenities. Many of these amenities are walkable and Bus transportation to, from, and around Sun Prairie has greatly increased in recent years of growth with access less than 2 miles away. The site will also be designed to connect to the neighboring developments future planned walking/biking paths as well.

R. *NEIGHBORHOOD AMENITIES: Describe the neighborhood in which the project will be located noting access to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services.

Not only is the site located just east of Downtown Sun Prairie with access to public transportation and the downtown businesses but is also within walking distance of all daily life amenities. The site is between .5 -1.5 miles away from grocery, medical clinics, public schools, pharmacy, senior center, multiple parks, retail, transportation, and restaurants. The site is also less than a mile away from many sports activities like the ice rink, soccer fields, baseball diamonds etc. As part of this development, the city plans to extend the sidewalk to the west edge of the site providing a clean walking path to downtown Sun Prairie's other walking/bike paths.

Sun Prairie has a highly-rated public schools system, with acclaimed music, fine art and athletic programs. Prairie Creek is just two miles from the recently completed, state-of-the-art \$100M Sun Prairie High School Campus. The site is within walking distance of a dog park, Little League fields, bike and walking paths and numerous parks, including the Sun Prairie Fireman's Park (Dream Park) which features an handicap-accessible playground. The site is less than 20 minutes from downtown Madison and offers easy access to highways US-151, US-51, and I-39/90/94 for simple commuting, access to airports and more. Prairie Creek is walking distance to grocery stores like Pick `N Save and a short drive to big-name brands like Costco, Target and Cabela's. Branches of local banks, dentist offices, medical clinics and UW-Health at the American Center are nearby as well. The site near some of Dane County's best restaurants - Salvatore's Tomato Pies, Full Mile Beer Company, Market Street Diner and Guimo's Mexican Restaurants. Nearby grocery stores and farmer's markets too! Just a short

S. *TRANSPORTATION: Identify the travel time and cost via public transportation or public automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers.

The City of Sun Prairie is serviced by the regularly scheduled Metro bus stop (Bus Route 23) Approx 1.5 miles away and is located on STH19 (corner of Bristol and Main St) which connects directly to 151 to the West. Madison metro charges \$28/ month to low-income individuals for a bus pass and \$1/ ride for senior citizens. The site has easy access to STH19 (Main St) which allows tenants easy access to Madison or Sun Prairie job centers. Auto transportation will be less than \$1/ day for those who will work in Sun Prairie. Downtown Madison is approximately 15 miles away meaning it would cost about 3 dollars in gas to get downtown and home daily.

The City plans to add a connecting bike path adjacent to the site which will allow tenants access to downtown and other local bike paths. We will be working with BCycle to install Ebikes and will be able to offer free memberships to our tenants.

T. UNITS:

In the space below, please list each site (street address) and building where the work will be undertaken. For each building, list the units by type, the number of bedrooms in the unit, the number of units, the monthly unit rent, utility allowance, and the total housing cost. Use additional pages as needed.

PROJECT APPROACH

BB. *PARTNERHIPS: In the space below, provide information on any partnerships that have been or will be formed in order to ensure the success of the project.

This project's structure is based on Habitat's founding principal of inclusivity. Habitat actively includes people from all walks of life in their work and is intentional about developing a diverse network of partners. Together we embrace our common humanity, as we work side-by-side building a community where everyone has a decent, safe, and affordable place to call home. As this will be Habitat's first multifamily housing project we recognized the need to bring in affordable housing partners including Northpointe and DreamLane to navigate the tax credit process and manage risk. Habitat, Northpointe, and DreamLane will own 51%, 25%, 24% of the Prairie Creek's managing member and all will have substantial involvement throughout the entire process including the 15-year compliance period. Habitat will also receive approximately half of the project's received developer fee.

Lutheran Social Services will utilize wraparound a service coordination model where families residing at the property, including Veterans and persons with disabilities, will be given a single point of entry to accessing community and supportive services. An on-site coordinator will meet with individuals and families to complete an intake assessment and develop a strength-based, goal-oriented plan of care. The service coordinator will work with the tenant and their surrounding existing natural supports, to build a comprehensive team, to explore areas of need, and fill gaps in supports where identified.

We intend to establish a strong partnership with the Colonial Club-Senior Center to connect the tenants with services, activities, rideshare, etc. We also intend to work with the County's HSC, Sun Prairie Food Pantry, and Joining Forces for Families

EE. *WORK PLAN WITH TIMELINE AND MILESTONES: In the space below, provide a work plan for how the project will be organized, implemented, and administered. Include a timeline and accomplishments from initiation through project completion. This should assume that contracts will be awarded in the second quarter of 2023 (April 1 – June 30, 2023). Add in extra quarters as needed. Examples of milestones are: acquisition, bid packages released, bids awarded, site preparation, excavation, construction begins, substantial completion, certificate of occupancy, lease-up begins, etc.

"Shovel-Ready" Projects:

A project is considered "shovel-ready" if the organization can begin expending funds within three months of receiving their award, and complete the project within one year of the date of the contract. We anticipate contracts for shovel-ready projects to be executed in the fourth quarter of 2022. Please describe if and how your project is a "Shovel-Ready" Project.

Funds will be drawn into the project during construction. Construction is anticipated to commence in November of 2022. Funds are anticipated to be fully drawn into the project by the end of 2023. We are using the non-competitive LIHTC program where credits can be requested from WHEDA at any time. We were awarded \$1.5 in Dane County Affordable Housing Funds last year which will also be used for the project. We believe that the project would be ready to start construction if awarded the Home funds, completion of the ER, and the County is ready to close.

EXPERIENCE AND QUALIFICATIONS

FF. **EXPERIENCE AND QUALIFICATIONS**: Describe the experience and qualifications of your organization related to constructing new rental housing.

Northpointe Development Corporation is a real estate development company created for the purpose of bringing revitalization and development to various neighborhoods in Wisconsin. OO. **FUNDS NEEDED:** In the space below, please describe why HOME funds are needed to ensure the viability of this project. Also describe how funds are being used to address greatest need and how that determination was made. Can all funds awarded in 2023 be reasonably expected to be expended? If this is a multi-year project, what amount of funds will be spent in each year?

The project will have 40% of the units at 50% CMI and below along with 20% of the units as large 3-bedroom units. Both are great needs of the county and both put stress on the financials causing a larger gap. Finally, Northpointe expects to defer approximately 50% of the developer fee to make the project feasible. Our team has applied for a TIF provided from Sun Prairie. the project was ready to go last year; however, the DOT needed to approve changes to land covenants in front of our site along HYW 19. During that delay of approximately 10 months interest rates and costs have gone up considerable increasing the gap.

It should also be noted that Habitat currently owns the site and will be selling the property significantly below market which helps close the financial gap on the project. All funds would be able to be spent soon after closing in 2023 or whenever required by the County or HUD.

- PP. **DETAILED PROJECT BUDGET:** Following the description of allowable costs that may be charged to the HOME Program is the Project Budget. Complete the budget identifying the amount and source of all funds and their uses.
- QQ. **DETAILED 1 YEAR OPERATING COSTS**: Following the Project Budget is the Detailed One Year Operating Costs Budget. Complete the Operating Budget identifying the income and expenses.
- RR. **OPERATING BUDGET:** Following the Detailed Operating Budget is the 20-Year Operating Budget. Complete the Operating Budget identifying the income and expenses.

Northpointe Development

Low-Income Housing Tax Credit (LIHTC) experience

Top-Notch Reputation

Northpointe Development is well regarded in the industry after years of successful project completions. With our track record, the municipalities we work with could rest assured they will be heard, and proud of our developments for years to come.

Our team is uniquely experienced working in the areas of new construction family and senior multi-family housing, historic rehabilitation, and commercial development throughout the midwest.

Northpointe envisions vibrant communities that strengthen neighborhoods, enhance livelihoods, respond to the environment, and connect people and places. The company's mission is to provide sustainable housing for communities in a collaborative, honest, and transparent manner. Northpointe has a great reputation with the communities where we've developed housing. Northpointe is one of Wisconsin's Housing Finance

Authorities largest and longest-standing customers, consistently receiving the highest developer team score possible for a for-profit developer. 100% of the Housing Credit awards received by Northpointe have moved forward into quality housing developments. Northpointe and its principals have the capacity to successfully complete the project as well as secure market to above market equity pricing.

Northpointe has maintained a reputation for creative problem solving. We have received numerous awards for our ability to re-think spaces and places – including:

2013	Top Projects Award Milwaukee
2015	National Historic Preservation Award
2014	Runner-Up for J. Timothy Anderson National Award for Excellence
2017	Wisconsin Trust for Historic Preservation Award
2019	Remarkable Milwaukee Award
2019	Carolyn Kellogg Historic Preservation Award

Most of our portfolio utilizes the various Housing Tax Credit programs as well as other available resources including Home, TIF, Brownfield Grants, Federal and State Historic Credits. A significant number of our developments have required us to connect with government entities, including the Department of Natural Resources, HUD, IHDA, WHEDA, WEDC, the Federal Energy Regulatory Commission. Our team also has previous experience working on Choice Neighborhood and NMTC projects.

Northpointe Development has made equity and inclusion work a top priority in recent years. Our work is highlighted by our partnerships with **DreamLane Real Estate Group**, minority-managed non-profit organizations such as **Housing Opportunity Development Corporation**, and our continual push for the inclusion of MBE/WBE/DBE construction sub-contractors.

Callan Schultz

Callan Schultz is a founder and partner of both Keystone and Northpointe

Development, he has been active in the development of multi-family housing since 1999. Cal formed Keystone Development, LLC in 1999 and later started Northpointe Development with Andy Dumke in 2011. Throughout his career, he has built over 3,500 units of multi-family housing throughout the states of Wisconsin, Michigan, Ohio, and Iowa.

Andrew Dumke

Andrew Dumke is a founder and partner of both Alliance and Northpointe

Development, he has been active in many aspects of the real estate industry since 1993. Andy spent most of his career developing commercial real estate with Alliance Development – Andy expanded his portfolio to multi-family with the establishment of Northpointe Development. Andy has found great synergies between the sectors – specifically when it comes to master development planning and collaborating with municipalities.

Alliance Development has developed over \$200mm in real estate. Samples of nationally accredited tenants are Starbucks, Panera, Fed EX/Kinkos, TJ Maxx, US Cellular, Verizon, Chipotle, Baker Tilly, and Old National Bank. With a portfolio of over 1,000,000 square feet, Andy is involved with multi-family apartments, commercial office buildings, warehouse buildings, and retail centers.

Sean O'Brien

Sean O'Brien is a partner of Northpointe Development, he has been involved with housing and community development for over 15 years. Prior to Northpointe, Sean worked at the Wisconsin Housing and Economic Development Authority (WHEDA) for 14 years. The last 6 years of which he was the Director of Commercial Lending. As Director, Sean led the development of Wisconsin's Affordable Housing Policy and allocation of the Low-Income Housing Tax Credit Program. In 2018, the Commercial Lending team implemented the State Housing Tax Credit Program which allowed WHEDA to allocate a new credit that creates or preserves at least a thousand affordable homes annually. For four years, Sean served on the Community Investment Advisory Council for the Federal Home Loan Bank of Chicago.

Jake Victor

Jake Victor is Vice President of Development for Northpointe Development, he began his career at WHEDA. Jake was tasked with allocating the state's Housing Tax Credit programs, originating multifamily loans, and overseeing Wisconsin's National Housing Trust Fund Program. Jake successfully originated over \$140mm in lending activity (14 developments) for affordable housing and was deeply involved with more than 30 LIHTC transactions.
